

BRIEF HISTORY/BACKGROUND

THE KIAMBU NATIONAL POLYTECHNIC(KINAP) was established in 1973 by the Kiambu community on Harambee basis (pulling together and raising funds by contributions from individual community members). Since its inception, the Kiambu National Polytechnic has played a vital role in transforming the youth and empowering them for a fulfilling career path by providing quality technical and vocational training, research and enhanced innovations for global impact.

KINAP is a (TVET) Institution under the Ministry of Education, it is registered to offer Technical and Vocational Education and Training. The Governing Council which is appointed by Ministry of Education in consultation with the stakeholders oversees the day-to-day running of the institution. The core function of The Kiambu. National Polytechnic is to provide education and training in TVET programs, promote research and technological development. The Kiambu National Polytechnic KINAP is ISO 9001:2015certified and has a holistic approach to training self driven graduates aimed at achieving Kenya Industrialization envisaged in the Vision 2030. The Polytechnic actively participates in both co-curricular and extracurricular activities at regional and National Levels.

THE KIAMBU NATIONAL POLYTECHNIC VISION

A premier Polytechnic in technical training, research and innovation for global impact.

THE KIAMBU NATIONAL POLYTECHNIC MISSION

To develop a competent market responsive and entrepreneurial workforce through quality technical and vocational training.
